

Dave Norval

Dave is an experienced Managing Director and works in non-executive roles within the mining industry and healthcare sector. After an impressive twenty five years in the chemical and mining industry across the UK, Africa and the Middle East, Dave is now a self-professed entrepreneur.

Experience

He obtained a diploma in Analytical Chemistry from Witwatersrand Technicon, South Africa and began his corporate career as a laboratory technician. Dave has worked in various senior management roles, in the private, public and charity sectors. He has extensive experience in general management, strategic business direction, marketing & sales, safety health and environmental (SHE), distribution and human resources.

Dave, who is South African, continues to have a number of business interests in Africa and the UK which include diverse activities from gold mining to staff development and training. In the past, Dave has been a non-executive Director of Junior Achievement South Africa and is currently a non-executive director of a mining services company, Banlaw-Africa Ltd.

In November 2005, Dave was appointed as a Non Executive director to Ipswich Hospital NHS Trust and he is currently their Deputy Chairman. He has recently been re-appointed as Non Executive Director and for a further four year term. In addition to his role as Deputy Chairman, Dave has also been involved with other committees within Ipswich Hospital NHS Trust including:

- Healthcare Governance Committee (Chairman)
- Audit Committee (member and past Chairman)
- Remuneration Committee (member)
- Infection Control
- 18 Week Referral to Treatment (RTT) Steering Board
- Foundation Trust (FT) Steering Board

Dave has recently been awarded a Diploma in Company Direction from the Institute of Directors and will become a Chartered Director in the next 12 months.
