

Mike Lockwood

Michael is an experienced senior manager, Director and business consultant with a proven track record in both public and private sectors. He has extensive experience of finance, performance management, project management, business management, risk management, audit, due diligence and change management. He is a senior consultant in the Board Development Team at Coalescence and externally he has several Non-Executive Director roles in public and private organisations.

Experience

Michael began his career in the Ministry of Technology, now the Defence Procurement Agency, working in finance, bill paying and contracts departments to HEO level. Subsequently, he worked in various financial and consultancy roles both in industry sectors and in professional business services with Deloitte. In 1992, Michael set up Business Catalysts Ltd. specialising in strategy, business planning, financial planning and training and development for government, manufacturing, services and charity sectors. All BCL work is by referral and payments are made on achieving agreed milestone plans with each client. Michael has provided leadership and team building development programmes with the Boards and Management Committees of leading businesses and government departments.
